

Messy Church St David's Pencoed

2018

Messy Church is designed to be fun **for all the family** not just a kids club.

Its church for those who have **never been to** church before or church for those **who cannot get** there on a Sunday.

A typical Messy Church service runs **for three hours**. The first hour or so is craft and games. The next half hour is interactive worship time. The last part is where we eat together.

Come at the start and stay till the end or come later and leave earlier. **It's up to you.**

It would be **great** to see you there
